MARCH 30, 2019

Only Turkey and tiny New Zealand have the guts to take on China when Muslims are put in internment (it should matter whether they are Muslims, Jews, Christians, Hindu or Buddhist all deserve better) camps

While the infighting Arabs and Muslim world in general doesn't care

Stupid PM of Pakistan Khan said he doesn't even know what is happening in China with Chinese Muslim minority Either he is stupid or going overboard kissing Chinese ass (both are probably true).

Chinese Government is the real enemy of civilized world is not Russia or Cuba but rather China and North Korea which is supported by China

Ardern cut back her trip to China in the wake of a national tragedy in Christchurch on March 15, when a gunman killed 50 people in shootings at two mosques. Since the terror attacks, Ardern has made ill treatment of Muslims and other minority groups an important part of her nation's foreign policy position.

Ardern cut back her trip to China in the wake of a national tragedy in Christchurch on March 15, when a gunman killed 50 people in shootings at two mosques. Since the terror attacks, Ardern has made ill treatment of Muslims and other minority groups an important part of her nation's foreign policy position.

Activists and watchdog groups, including Washington-based Human Rights Watch, have called on Ardern to raise concerns with the Chinese government during her visit. The prime minister on Friday said she would reassert New Zealand's concerns over China's treatment of the Uyghur Muslim minority while she was in Beijing.

Last year, Ardern raised the issue of "re-education camps" in Xinjiang, along with other human rights concerns, when she met Guangdong party secretary Li Xi in September.

Trade and Xinjiang on the agenda for New Zealand leader Ardern in China
